Subscription Plan Terms and Conditions

This agreement is with PurSolutions, LLC. Unless terms are specifically stated here, please refer to our general [Terms and Conditions](#) or contact info@puresoluble.com. PurSolutions reserves the right to revise these Terms at any time by updating this posting. You are encouraged to review these Terms frequently.

Subscription Terms and Conditions

Subscriptions are non-cancelable (after the first month for annual subscriptions). The customer's satisfaction as well as product quality is of utmost importance to PurSolutions. Our philosophy is to treat the customer with fairness and respect. However, due to the perishable nature of biological materials, some items may not be returnable, which is at our discretion. Subscription pricing is subject to change. New pricing takes effect upon subscription renewal.

Subscriptions begin upon full payment submission (i.e. receipt of purchase order) and continue for a period of one year. If payment is not ultimately received within 45 days, you will be billed for the products you ordered according to their list price. Subscriptions may be purchased only by purchase order or credit card. Subscriptions are paid in full in advance. At the end of the subscription period, you will be contacted by the PurSolutions personnel with the option of renewing. If renewal is not chosen, the subscription will be considered finished and will be offered to other customers. Subscriptions are not auto-renewed.

Cancellation Policy

Annual subscriptions may be canceled within the first month of the subscription period for a full refund minus the cost of the ordered products according to their list price. Ordered products are not to be returned. To cancel, contact us at info@puresoluble.com.

Proprietary Rights

You acknowledge and agree that the products and protocols are property of PurSolutions. You agree not to sell, license, rent, or distribute any products sold to you. The products are to be used only by the subscribing lab. We reserve the right to refuse to process an order due to suspected fraud or unauthorized activity. If we suspect fraudulent or unauthorized activity, we may reject your order or contact you at the phone number or email address provided to confirm your order. Products are for in vitro research use only. Except as expressly set forth in these Terms and Conditions, no license is granted to you and no rights are conveyed by virtue of using our products. All rights not granted under these Terms are reserved by PurSolutions. We reserve the right to revoke your subscription at any time as a result of a violation of these Terms and Conditions.
