Subscription Terms and Conditions

Subscriptions are non-cancelable and non-returnable. For annual subscriptions, pricing is subject to change. New pricing takes effect upon renewal of your subscription.

Your annual subscription will start when PurSolutions confirms your payment and will continue for a period of one year. Annual subscriptions may be purchased via purchase order or credit card. Contact info@puresoluble.com for more info. Annual subscriptions are paid in full in advance, unless otherwise agreed upon. We do not auto-renew any policies. At the end of the annual subscription period, you will be contacted by PurSolutions personnel to see if you would like to renew. If renewal is not chosen, the subscription will be considered finished and will be offered to other customers. Subscription pricing is subject to change. New pricing will only take effect upon renewal of your subscription.

Cancellation Policy

You may only cancel your current Annual Subscription during the first month of the subscription by contacting info@puresoluble.com. If you cancel your annual subscription, you will be refunded half of your subscription fee. You do not need to return any product.

PurSolutions has the right to cancel the subscription at any time for any reason. If the annual subscription is canceled by PurSolutions, you will be refunded based on how many quarters you were subscribed (i.e. if you received only the first quarter shipment, you will be refunded $\frac{3}{4}$ of the subscription).
